

ruby 45c

Theoretical working capacity: 1670 m²/h

A battery powered model with a 45 cm cleaning path, characterized by two cylindrical brushes turning in the same sense that clean and give traction to the machine.

TECHNICAL DATA

Walk behind machine without traction

Power supply 24V/110Ah

Cleaning width 460mm

Brushes pressure adjustable max.30kg

Battery autonomy 3-5h

Solution tank / recovery tank 40/45 l

Cylindrical brushes 2x95mm

Brushes speed 950rpm

- Squeegee width: 770 mm
- Brushes motor: 500 Watt
- Motion system: semiautomatic
- Maximum gradient: 2%
- Suction motor: 570 Watt
- Suction vacuum: 120 mbar
- Machine dimensions: L: 1090 mm
W: 548 mm
H: 1053 mm
- Machine weight w/o battery: 71 kg
- Battery compartment: L: 350 mm
W: 342 mm
H: 295 mm
- Class: III
- Protection level: IP 23
- Loudness: <70 dB (A)

It is a battery powered floor cleaning machine with a 45cm cleaning width brush base which has two rotating brush that help also the machine for the traction. This scrubber is particularly indicated for all the small environments, for all the situations of fast maintenance cleaning and for floors with large joints. Brushes are very easy to maintain and it is the best compromise between high quality and a convenient price.
